EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

The numeral "12" in the first line of claim 16 has been changed to --13-- in order to correct an obvious error in claim dependency as noted in paragraph 4 on page 3 of the Office action dated September 30, 2004.

Upon review in light of applicant's comments filed on October 25, 2004, the objection to the declaration is withdrawn because the filing date of Provisional Application Serial No. 60/403,616 is indeed August 14, 2002.

Contrary to applicant's remarks, new replacement drawing sheets were apparently not enclosed with the amendment filed on October 25, 2004. Instead, only copies of the drawings showing the changes to be made were submitted. These proposed changes are approved by the examiner. Therefore, applicant is now required to submit corrected drawings (as replacement sheets) incorporating the approved changes noted in the amendment filed on October 25, 2004.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Richard L. Chiesa whose telephone number is (571) 272-1154.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Duane S. Smith, can be reached at (571) 272-1166.
